

THE POWER OF JUSTIFICATION

JUSTIFICATION

Romans 3:21–26 Romans 8:1–4
1 Timothy 1:12–15

INTRODUCTION

Tabitha, a 14-year-old, felt trapped by guilt and shame. She had lied to her parents and cheated on a test, making her feel unworthy. One day, Tabitha's youth pastor shared about God's forgiveness and justification. She felt a spark of hope and confessed her mistakes to her pastor. He shared Romans 3:24-25, "We are justified freely by His grace through Christ Jesus." In that moment, Tabitha believed and received forgiveness. She felt free, forgiven, and loved. Her life changed; she saw herself as a loved child of God, and her relationships improved. Tabitha realized that justification is not just forgiveness but being made right with God. She experienced the transformative power of justification.

SUMMARY

Justification means to be declared righteous or not guilty in God's eyes. It is not something you earn.

Rather, it's something you receive as a gift from God. Jesus already paid for it on your behalf, through His blood.

MEMORY VERSE

"So now there is no condemnation for those who belong to Christ Jesus. And because you belong to him, the power of the life-giving Spirit has freed you from the power of sin that leads to death."
